

## **Annual Report -2021-22**

It gives me immense pleasure and sincere feeling to have all of you with us today as we celebrate the 4<sup>th</sup> Annual Gathering of our school. We are proud to declare that as an institution STACG completes five glorious years of excellence in providing joyful learning. Respected chief guest Dr P keerthika, Assistant Programme Manager, Directorate of Public Health and Preventive Medicine – Tenkasi, Mr. C.Murugan Chairman of STACG Hi-tech School, Mrs M.Punitha Selvi correspondent of STACG Hi-tech School, Rev Fr Joseph Academic Advisor, dignitaries on dais, beloved parents, well-wishers and my lovable students!

I am honoured to read out the annual report of Academic Session 2021-22. This academic year has seen a lot of achievements in teacher empowerment, innovative pedagogical intervention, student academics, co-scholastic areas, arts, and sports. This further strongly connects our school's commitment in providing digital literacy with sport to excel in life. Holding the role as a Pedagogical Leader I must admit here that we are fostered to our promise of bringing the personal best of every child associated at STACG ensuring happy schooling.

As the year 2021-22 had lots of uncertainty and new normalcy we adapt new strategies convincingly to move ahead stronger. A good number of teachers attended Covid Infection and Vaccine awareness programme on 16<sup>th</sup> April 2021 conducted by Association members of Private schools. ### **Initiatives @STACG**

Every day news is been broadcasted over our school public addressing system to hone the language skills of students in morning between 9.00 to 9.15. Theme based assembly has become regular academic activity, specific international and national days are observed and the days significance is instilled to students through innovative programs, posters and talks. Value of the month programme as yearlong education awareness activity to sow the seeds of value system in the minds of student community.

Regular play hours in evening to justify our school motto of 'Digital Education with sport to excel in life' is further strengthened and fine-tuned. An unique handwriting font is finalized to improvise students handwriting skills in perfecting legibility and neatness. We make arrangements for the students of Cls 5 and above to appear for Hindi certificate course examination. 26 Students appeared for the Prathmic Hindi exam in last February.

An exclusive JEE/NEET Brain Zone is kick started to function more vibrantly with an objective to make students face such competitive exams fearlessly. Terrace Gardening is again another beautiful venture which we stepped in this year. Apparently, the student community finds it delightful which is also part of their academic syllabus.

A wide range curricular and co-curricular events that the school offer is a testimony of our commitment to provide consistent opportunities towards nurturing a wonderful student community filled with 21<sup>st</sup> century learning skills and good values to face life. I am overwhelmed to thank Management for their genuine support, team of teachers for their spectacular team spirit, in creating STACG a most sought place to witness and feel what happy schooling is all about.

Thank you and have a happy evening.
