

Annual Report - (2023-24)

Distinguished chief guest of the day Shri. Dr. Thaarics Albin, Associate Professor, School of Economics, St Xavier's College, Palayamkottai, Respected Founder Chairman of STACG Hi-Tech School Dr. C. Murugan, our beloved Correspondent Mrs M. Punitha Selvi, Rev Fr Joseph School Academic Advisor, dignitaries on dais, loveable parents, well-wishers and my dear students & Staff, I'm genuinely honored by your presence as we jointly celebrate the 6th Annual Day Celebrations of our school, ***Kaleido -2024***. Annual days in educational institutions often serve as a celebration of the collective achievements, talents, and diversity of the students. Additionally, such events serve as a platform to acknowledge and honor outstanding achievements, both academic and non-academic, and to recognize the efforts of students, and teachers, who have contributed significantly to the institution's success.

I am pleased to read out the annual report of STACG Hi-Tech School for the Academic Session 2023-24. This academic year we have dedicated ourselves wholeheartedly and have successfully fulfilled our commitment to embracing technology, personalizing education, and creating a nurturing environment for students to excel and enjoy their learning experiences.

Teachers Training

As CBSE is mandatorily emphasizing on Continuous Professional Development we have underlined Teacher Training sessions meticulously. During the month of May 2023 our teachers underwent a two-days comprehensive training session on the topics Legal Implications of the POCSO Act, and Strategic Planning in Teaching Learning Processes. We also had a session on Enhancing Skills for KG and Primary Educators on 31st May 2023.

Using this space wisely teachers too attended Training sessions and Presentations on several subject specific webinars and conferences organized by both AMPS & CBSE through Diksha, NIKSHITA and CBSE Training Unit online portals respectively.

CBSE Capacity Building Programs:

Few of our team had a session on Induction Training Program (Guru Dakshata) in alignment with NEP 2020 organised by CBSE Training Wing at Rosemary School of Excellence, Tirunelveli during August 2023.

Additionlay, Experiential Learning at Kenbridge School, Sankarnagar, Tirunelveli, and Art Integration Training by CBSE at Bharath Vidya Mandir, Ilanji, Tenkasi in November 25 2023, And Prayog by CBSE Academic Unit or other training sessions attended by us.

Teachers have also had STEM - Robotics Training as part of our regular Teacher Enrichment session. Mr Shiva from 3'B Roboschool, Bangalore headed the training. We've had the honour of hosting a CBSE workshop on the title 'Financial Literacy and Usage of Digital Tools in our school campus during December 8, 2023. Mr Sahaya Vivek a Financial Expert was the Resource Person form CBSE Training Unit.

Events & Festivities

Successful 2nd Year Educational Awareness marathon – *Karka Kasadara* was jointly organized by STACG Hi-Tech School and Einstein Group of Institutions Alangualm in our campus on 7th May 2023. The event witnessed a mass of 1000 participation covering ranges of 5 & 10 kms in two different categories. The total sum of Rs 63,000 cash award was presented to the winners. The event had participants from North Indian states and African countries like Kenya, and Nigeria.

9th International Yoga Day celebration was conducted on 21st of June 2023 at Kalidaikuruchi River Bridge. Ms Kiruba a certified Yoga Trainer demonstrated few asanas and the mass performed the same. Mr Esaki Pandiayan Chairman – Kalidaikuruchi Panchayat Town graced the event. Mass yoga performance at the newly renovated bridge by our children was a bliss to watch. STACG Student Council Election -23' was a milestone initiative to make the campus feel the vibe of democracy. A mock election campaign and electoral procedure was followed truly to select the student council. The elected representatives pledged their oath during the Investiture Ceremony on 7th July.

Sree Chockalingam Gnannpoo Memorial Ever Rolling Kho-Kho Championship Trophy 2023 was organized by STACG School on 27 & 28th July 23'. Close to 60 teams from all over Tamil Nadu and Puducherry participated in U-12, U-14 Boys and Girls categories. Mr Saiman Raja – President Tirunelveli District Kho-Kho Association, & Mr Kuthalingam – Iron Man of Asia 2022, congratulated the winning teams with cash awards and trophies.

School Library Week Celebration form 07 August 2023 witnessed a wide range of back to back activities and Educators' conclaves purely aimed at instilling a passion for reading.

On 26th August 2023 we had our 5th Annual Sports Meet. Chief Guest Mr. M. Abraham – Sub – Inspector of police Pappakudi conferred awards to the champions and delivered an inspirational address. Team Pallavas won the Championship title in the sports meet.

Experiencia – the Science Project Expo – witnessed the showcasing of 100 exhibits, obviously which proved that our kids are scientifically smart and sound. Celebrations like Teachers’ Day and STACG day, Diwali, Christmas, and Pongal are all a testament to the strength of our family bonding.

Blood Donation Camp, Student Out-Reach Program, Steet Plays, Swachh Bharat Drive, and One Student One Tree Campaign, are all a proof that we are socially conscious and we prioritize responsible future society.

As a family we have helped and donated essential groceries to Trust Children Home Venkaattampatti from the savings of our children.

Coding Marathon, and Lingua Fiesta – A week long literary celebration are other remarkable initiatives implemented this year to truly proclaim that STACG is genuinely interested in the all-round development of our children.

Field Trips & Educational Tour.

Field trips offer hands-on learning experiences, allowing students to see, touch, and interact with what they're studying, thereby enhancing their comprehension and retention of the subject matter understanding this paradigm, our students had a visit to numerous places like Pottery Making Site, Sericulture Factory Visit, MMV Modern Rice and mill in Alangulam, Railway station, market visits and Suzlon Wind Energy Service Centre - Rettiyarpatti. The Senior class students visited Kudankulam Nuclear Power Plant. Undoubtedly the student community had a wonderful time of learning on nuclear power generation and the safety features of nuclear plants.

Students from class VI – XII had a three day Educational excursion to Bangalore, Mysore and Coorg during November 2023. The trip provided an unforgettable and enriching experience, allowing us to fully immerse ourselves in the state’s rich historical heritage. We have visited the Mysore Palace and Brindavan Garden, Karnataka Silk Weaving Factory, and Mysore Zoo. And the trip also covered Coorg Golden Temple and Wonderla Amusement Park Bangalore. The Educational Tour organized by our school was a perfect blend of joy and learning, leaving students enriched and delighted by the experience.

Accomplishments and Initiatives

It’s a moment of pride that four of our students from class XI interacted with Dr Kalaiselvi Director General, Council of Scientific & Industrial Research, in the event ‘Meet The Pride Woman’ and won Young Scientist Award organized by Thamarabarani Eng. College, Tirunelveli.

Samritha of Class XII bagged the school Topper award with the score of 409 in CBSE Class XII Board Examinations 22-23, Dhanuprabha and Libina Arul of our School secured 467 and shared the first position in Class X examinations. Special mention here that in Class 10, 2 students scored centum in subject Tamil and 5 students in Information Technology.

Sushma and Sweetlin Annie of Class XI got the U 17 winner up position in Badminton CBSE District Level Championship hosted by VSR School, Tisyanvilai. The Girls throwball team won the runner-up position in the meet. The boys Athletics team got their recognition by securing district level winner up and individual championship positions in multiple events. Dhanuprabha of Class XI won the first position in PCRA State Level Painting Competition conducted by Petroleum Conservation Research Association Chennai. Karnish from Cls 5 won second position in Tenkasi District level Drawing Competition

In the field of Co-curricular activities our students as a team brought laurels to school by bagging positions such District Level Abacus and Silambam Winners, and Open tournament State Level Skating Winners. Devi Krithika of Class VI – won several medals and certifications for her remarkable skills in Silambam. Vanarmathi of Class VI added a gem to our success story by winning World City Cup Abacus Silver Award.

It's again a moment of great pride that as an institution we got recognized from Dinamalar Tamil News daily and received Best School Certification Award of this region. Mr Dinesh Director Dinamalar Publications Tirunelveli Region presented the certification.

Initiatives and undertakings

Regular school assemblies and commemoration of various National and International Days provide a platform for showcasing the inherent talents of our students. The School Newsletter, Colorfly, serves as an outstanding platform, spotlighting the exceptional skills of our students.

A dedicated Brain Zone for all competitive exams is planned to operate dynamically, ensuring students are well-prepared for their future endeavors. All such activities serve as a testament to STACG's renowned identity and our steadfast dedication to constantly fostering opportunities for educating an exceptional student community. I extend my deepest gratitude to the Management for their unwavering support, the devoted team of teachers for their selfless dedication, and the parents for their consistent care and support. Let's unite as a team and empower our children to achieve remarkable success.

Thank you and enjoy the colorful Kaleido - 2024.
